

TEC Interview/Reference Form

During the TEC weekend, the candidate will be participating in various activities. These activities include varying levels of group interaction, religious experiences, social and recreational events. To enable the TEC team to make proper decisions in making the best use of your participant's talents and potential, it is important that you be as specific as possible in regard to the following information. This side is an interview and the opposite side may be used for your confidential insights on the participant.

This form should not be completed by a parent.
